EDITOR'S NOTE:

The final date for compiling this collection was June 30th, 2026. All reasonable efforts were made to ensure that the information was correct at the time of going to press. Any player changes, transfers or changes to any individual club's participation in UEFA's 2026/27 season club competitions after this date, were of course beyond our control.

PLAYER RATINGS:

Whilst every effort was made to proportion reasonable contrasting player ratings, the individual ratings have been devised for the purposes of the Match Attax game. These values are not intended to be a definitive comparison between players and do not reflect the opinions of the UEFA Champions League, UEFA Europa League, UEFA Conference League or these competitions' member clubs.

PLAYER VALUES:

The featured transfer values have been developed exclusively for the Match Attax game and in no way represent the actual transfer values of players.

Checklists provided by Topps reflect the intended configuration of that product at the time of production, but actual contents and odds may vary. SUBJECT TO CHANGE.
